Supt. of the U. S. Mint.

Dear Sir:—

I am a subscriber to the "Coin Collector's Herald" and in an article entitled "The Coin Collection of the U. S. Mint" it is stated that a pamphlet has been prepared by Mr. R. A. McClure giving summaries of the coins at present in the cabinet. It also states that copies of this pamphlet are mailed free of charge, on application, to collectors etc.

I have a very good collection
of coins and am much
interested in the subject. I
would be pleased to receive
one of the pamphlets if you
would kindly mail one to me.

Yours respectfully,
Leon P. Alford.
